

NEW WORLD ORDER COMBAT ARMS SURVEY

Question #46

"I Would Fire Upon U.S. Citizens..."

Question # 46 "I Would Fire Upon U.S. Citizens..." The RESISTER has confirmed that US Navy SEAL platoons, including SEAL Team Six, Marine combat veterans stationed at Twenty-Nine Palms, CA, and Marine basic trainees at Camp Pendleton, CA, have been administered a questionnaire asking, among other things, if they would "...fire upon US citizens who refuse or resist confiscation of firearms banned by the US government." The questionnaire was first administered to operators by the commanders of SEAL Team Six on 15 September 1993, then subsequently to the remaining SEAL platoons throughout September and October. Rumors began circulating in November that US Army DELTA operators were given the same or similar questionnaire. The SF Underground had been aware of the questionnaire since late September but our observers had been unable to secure a copy or confirm other than its substance consisted of questions pertaining to the subordination of the US Military to the UN and confiscation of the firearms of US citizens. In early January, 1994, we obtained a copy of the questionnaire from one of our DOD sympathizers but lacking corroboration we ran the story in Vol.I, No.1 of The RESISTER as a rumor. On January 22, 1994, one of our observers copied a chilling message off the Internet from Petty Officer 2nd Class W. Kelly, US Navy Special Warfare Team Six, to D. Hawkins, Re: Gun Confiscation. Kelly began by stating that the questionnaire was "...to find out if we would follow the orders of commanding officers without question." (Kelly omitted the fact that the questionnaire assumes "commanding officers" gives equal authority to UN officers commanding US forces.) Kelly continued; "If you wish to find out how I answered I said yes I would fire and kill all persons attempting to resist...we aren't around to be the good guys." Remember, Kelly is referring to American civilians. In February, 1994, MODERN GUN magazine ran a story on the elusive questionnaire which was subsequently circulated by various patriotic citizens groups. Then, on 10 May, 1994, the questionnaire was administered to Marine Desert Storm veterans at Twenty-Nine Palms, CA. A Marine smuggled a copy of the questionnaire out of the testing center and mailed it on 15 May, 1994, with a cover letter, to the editor of THE NEW AMERICAN, which ran the story in their July 11, 1994, issue. THE NEW AMERICAN quotes the Marine's impression that the questionnaire "was just research for this (Navy) commander's(sp) degree." The RESISTER obtained a copy of the Marine's letter, which actually states: "A Navy Commander came before us and said he was working on his masters degree and he was writing a paper about giving up our military's sovereignty(sp) to the United Nations Secretary General." The official DOD lie surrounding the questionnaire entitled "Combat Arms Survey," supports that of the Navy Commander. Significantly, the Combat Arms Survey was first given at the time Presidential Decision Directive (PDD) 25 was being prepared. The RESISTER's correspondent in the Pentagon staff of the Joint Chiefs of Staff confirms that PDD 25 surrenders control of the U.S. military to the United Nations. (A cursory survey of articles written by MACOM commanders and staff members in official military journals for the past year reveals a universal acceptance of U.N. control of the American military.) The RESISTER has been eliciting responses to the questionnaire for the past year. Frighteningly, among service members with less than 10 years of service, 63% agree or strongly agree with question # 46: "I would fire upon U.S. citizens who refuse or resist confiscation of firearms banned by the U.S. government." Among new recruits almost 90% give the response: "If it's the law and they order me to do it I guess it's okay." Our federally controlled public schools have done their job. Of those with more than 15 years of service, 87% replied "disagree" or "strongly disagree." Responses by members of the Special Forces Underground were unprintable; basically, there will not be many officers who give that order more than once. The RESISTER has enclosed a copy of the Combat Arms Survey with this issue. As you read it pay particular attention to the qualifiers and their relation to recent articles in the official publications of the Department of Defense, the civilian media, and the policies of the federal government. * Editorial Note The enclosed Combat Arms Survey is a true and accurate reproduction of the contents of the questionnaire. We altered the format to accommodate the The RESISTER's layout. End Note Our civilian readers maybe wondering why the Combat Arms Survey was circulated so heavily within the Department of the Navy. The reason is simple; the Navy is not subject to USC Title 10 Posse Comitatus prohibitions against using federal military forces for domestic law enforcement. This includes the US Marine Corps. Just thought you would like to know. THE STAFF[Resistor, Ed.]

End Note Our civilian readers maybe wondering why the Combat Arms Survey was circulated so heavily within the Department of the Navy. The reason is simple; the Navy is not subject to USC Title 10 Posse Comitatus prohibitions against using federal military forces for domestic law enforcement. This includes the US Marine Corps. Just thought you would like to know. THE STAFF[Resistor, Ed.]

The questionnaire was first administered to operators by the commanders of SEAL Team Six on 15 September 1993, then subsequently to the remaining SEAL platoons throughout September and October. Rumors began circulating in November that US Army DELTA operators were given the same or similar questionnaire. The SF Underground had been aware of the questionnaire since late September but our observers had been unable to secure a copy or confirm other than its substance consisted of questions pertaining to the subordination of the US Military to the UN and confiscation of the firearms of US citizens. In early January, 1994, we obtained a copy of the questionnaire from one of our DOD sympathizers but lacking corroboration we ran the story in Vol.I, No.1 of The RESISTER as a rumor. On January 22, 1994, one of our observers copied a chilling message off the Internet from Petty Officer 2nd Class W. Kelly, US Navy Special Warfare Team Six, to D. Hawkins, Re: Gun Confiscation. Kelly began by stating that the questionnaire was "...to find out if we would follow the orders of commanding officers without question." (Kelly omitted the fact that the questionnaire assumes "commanding officers" gives equal authority to UN officers commanding US forces.) Kelly continued; "If you wish to find out how I answered I said yes I would fire and kill all persons attempting to resist...we aren't around to be the good guys." Remember, Kelly is referring to American civilians.

In February, 1994, MODERN GUN magazine ran a story on the elusive questionnaire which was subsequently circulated by various patriotic citizens groups. Then, on 10 May, 1994, the questionnaire was administered to Marine Desert Storm veterans at Twenty-Nine Palms, CA. A Marine smuggled a copy of the questionnaire out of the testing center and mailed it on 15 May, 1994, with a cover letter, to the editor of THE NEW AMERICAN, which ran the story in their July 11, 1994, issue. THE NEW AMERICAN quotes the Marine's impression that the questionnaire "was just research for this (Navy) commander's(sp) degree." The RESISTER obtained a copy of the Marine's letter, which actually states: "A Navy Commander came before us and said he was working on his masters degree and he was writing a paper about giving up our military's sovereignty(sp) to the United Nations Secretary General." The official DOD lie surrounding the questionnaire entitled "Combat Arms Survey," supports that of the Navy Commander. Significantly, the Combat Arms Survey was first given at the time Presidential Decision Directive (PDD) 25 was being prepared. The RESISTER's correspondent in the Pentagon staff of the Joint Chiefs of Staff confirms that PDD 25 surrenders control of the U.S. military to the United Nations. (A cursory survey of articles written by MACOM commanders and staff members in official military journals for the past year reveals a universal acceptance of U.N. control of the American military.) The RESISTER has been eliciting responses to the questionnaire for the past year. Frighteningly, among service members with less than 10 years of service, 63% agree or strongly agree with question # 46: "I would fire upon U.S. citizens who refuse or resist confiscation of firearms banned by the U.S. government." Among new recruits almost 90% give the response: "If it's the law and they order me to do it I guess it's okay." Our federally controlled public schools have done their job. Of those with more than 15 years of service, 87% replied "disagree" or "strongly disagree." Responses by members of the Special Forces Underground were unprintable; basically, there will not be many officers who give that order more than once. The RESISTER has enclosed a copy of the Combat Arms Survey with this issue. As you read it pay particular attention to the qualifiers and their relation to recent articles in the official publications of the Department of Defense, the civilian media, and the policies of the federal government. * Editorial Note The enclosed Combat Arms Survey is a true and accurate reproduction of the contents of the questionnaire. We altered the format to accommodate the The RESISTER's layout.

End Note Our civilian readers maybe wondering why the Combat Arms Survey was circulated so heavily within the Department of the Navy. The reason is simple; the Navy is not subject to USC Title 10 Posse Comitatus prohibitions against using federal military forces for domestic law enforcement. This includes the US Marine Corps. Just thought you would like to know. THE STAFF[Resistor, Ed.]

The official DOD lie surrounding the questionnaire entitled "Combat Arms Survey," supports that of the Navy Commander. Significantly, the Combat Arms Survey was first given at the time Presidential Decision Directive (PDD) 25 was being prepared. The RESISTER's correspondent in the Pentagon staff of the Joint Chiefs of Staff confirms that PDD 25 surrenders control of the U.S. military to the United Nations. (A cursory survey of articles written by MACOM commanders and staff members in official military journals for the past year reveals a universal acceptance of U.N. control of the American military.) The RESISTER has been eliciting responses to the questionnaire for the past year. Frighteningly, among service members with less than 10 years of service, 63% agree or strongly agree with question # 46: "I would fire upon U.S. citizens who refuse or resist confiscation of firearms banned by the U.S. government." Among new recruits almost 90% give the response: "If it's the law and they order me to do it I guess it's okay." Our federally controlled public schools have done their job. Of those with more than 15 years of service, 87% replied "disagree" or "strongly disagree." Responses by members of the Special Forces Underground were unprintable; basically, there will not be many officers who give that order more than once. The RESISTER has enclosed a copy of

the Combat Arms Survey with this issue. As you read it pay particular attention to the qualifiers and their relation to recent articles in the official publications of the Department of Defense, the civilian media, and the policies of the federal government. * Editorial Note The enclosed Combat Arms Survey is a true and accurate reproduction of the contents of the questionnaire.
